"In the Heartland" Production Sale Results

The 11th Annual Gonsior Simmental "In the Heartland" Production Sale was held at the Gonsior Sale Facility near Fullerton, NE on March 12, 2011. The Gonsior family and guest breeders raised the bar with the 2011 sale offering of herd bulls, bred females, fancy open heifers and elite embryo matings. The phone lines were illuminated, the crowd was over flowing, the complementary lunch was delicious and the genetics were industry leading resulting in a very successful event for this firm and fellow breeders. Guest breeders include Windy Ridge Simmentals (Dr. Tom and Kristi Rathje), Pischel Simmentals (Rob and Maureen Pischel), Square D Simmentals (Nick and Monty Dial), Platte Valley Simmentals (Terry, Jacki, Drew and Emily Buettner), Polivkas Powerline Cattle (Chris Polivka), Two Rivers Livestock (Kevin Koziol), Triple B Farms (Chris Beutler) and Thompson Breeding Stock (Rick and Randy Thompson). Genetics sold into states from California to Illinois and Texas to South Dakota with the majority staying "In The Heartland".
